Mocktails

Delicious

We had an absolutely wonderful time enjoying some refreshing and creative non-alcoholic mocktails. The variety of flavours and the care that went into crafting these delicious drinks made the experience fun for everyone.

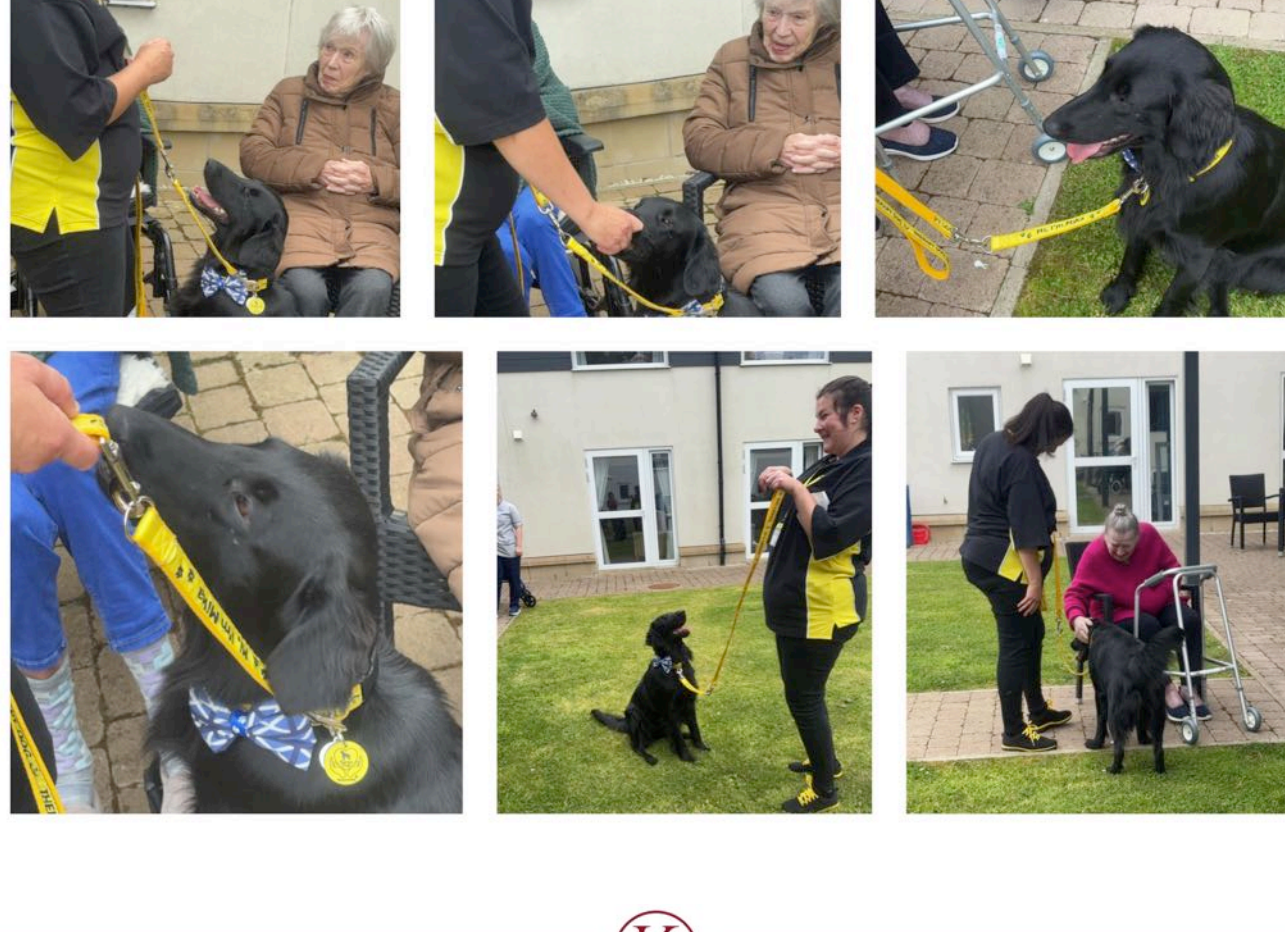

Therapy Pet

Furry Friend

It is always such a treat to have Mika, the therapy dog, visit us. The positive impact that spending time with therapy pets has on our residents' well-being is truly remarkable. Mika's comforting presence brings smiles to everyone's faces and creates a warm and joyful atmosphere.

Line Dancing

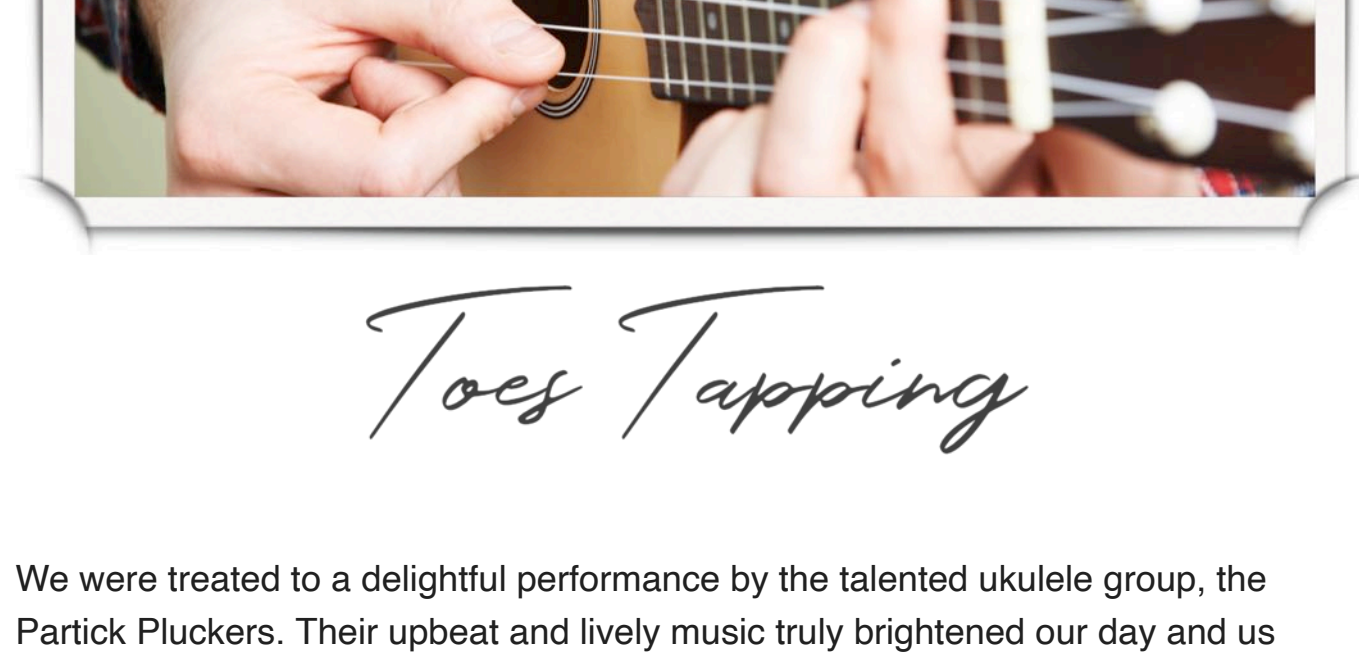

Good Times

Our line dancing sessions are fantastic! Participants love them as it provides not only a great way to get some exercise but also an opportunity to socialise and have a lot of fun. The energy and the positive vibes from these sessions are truly contagious!

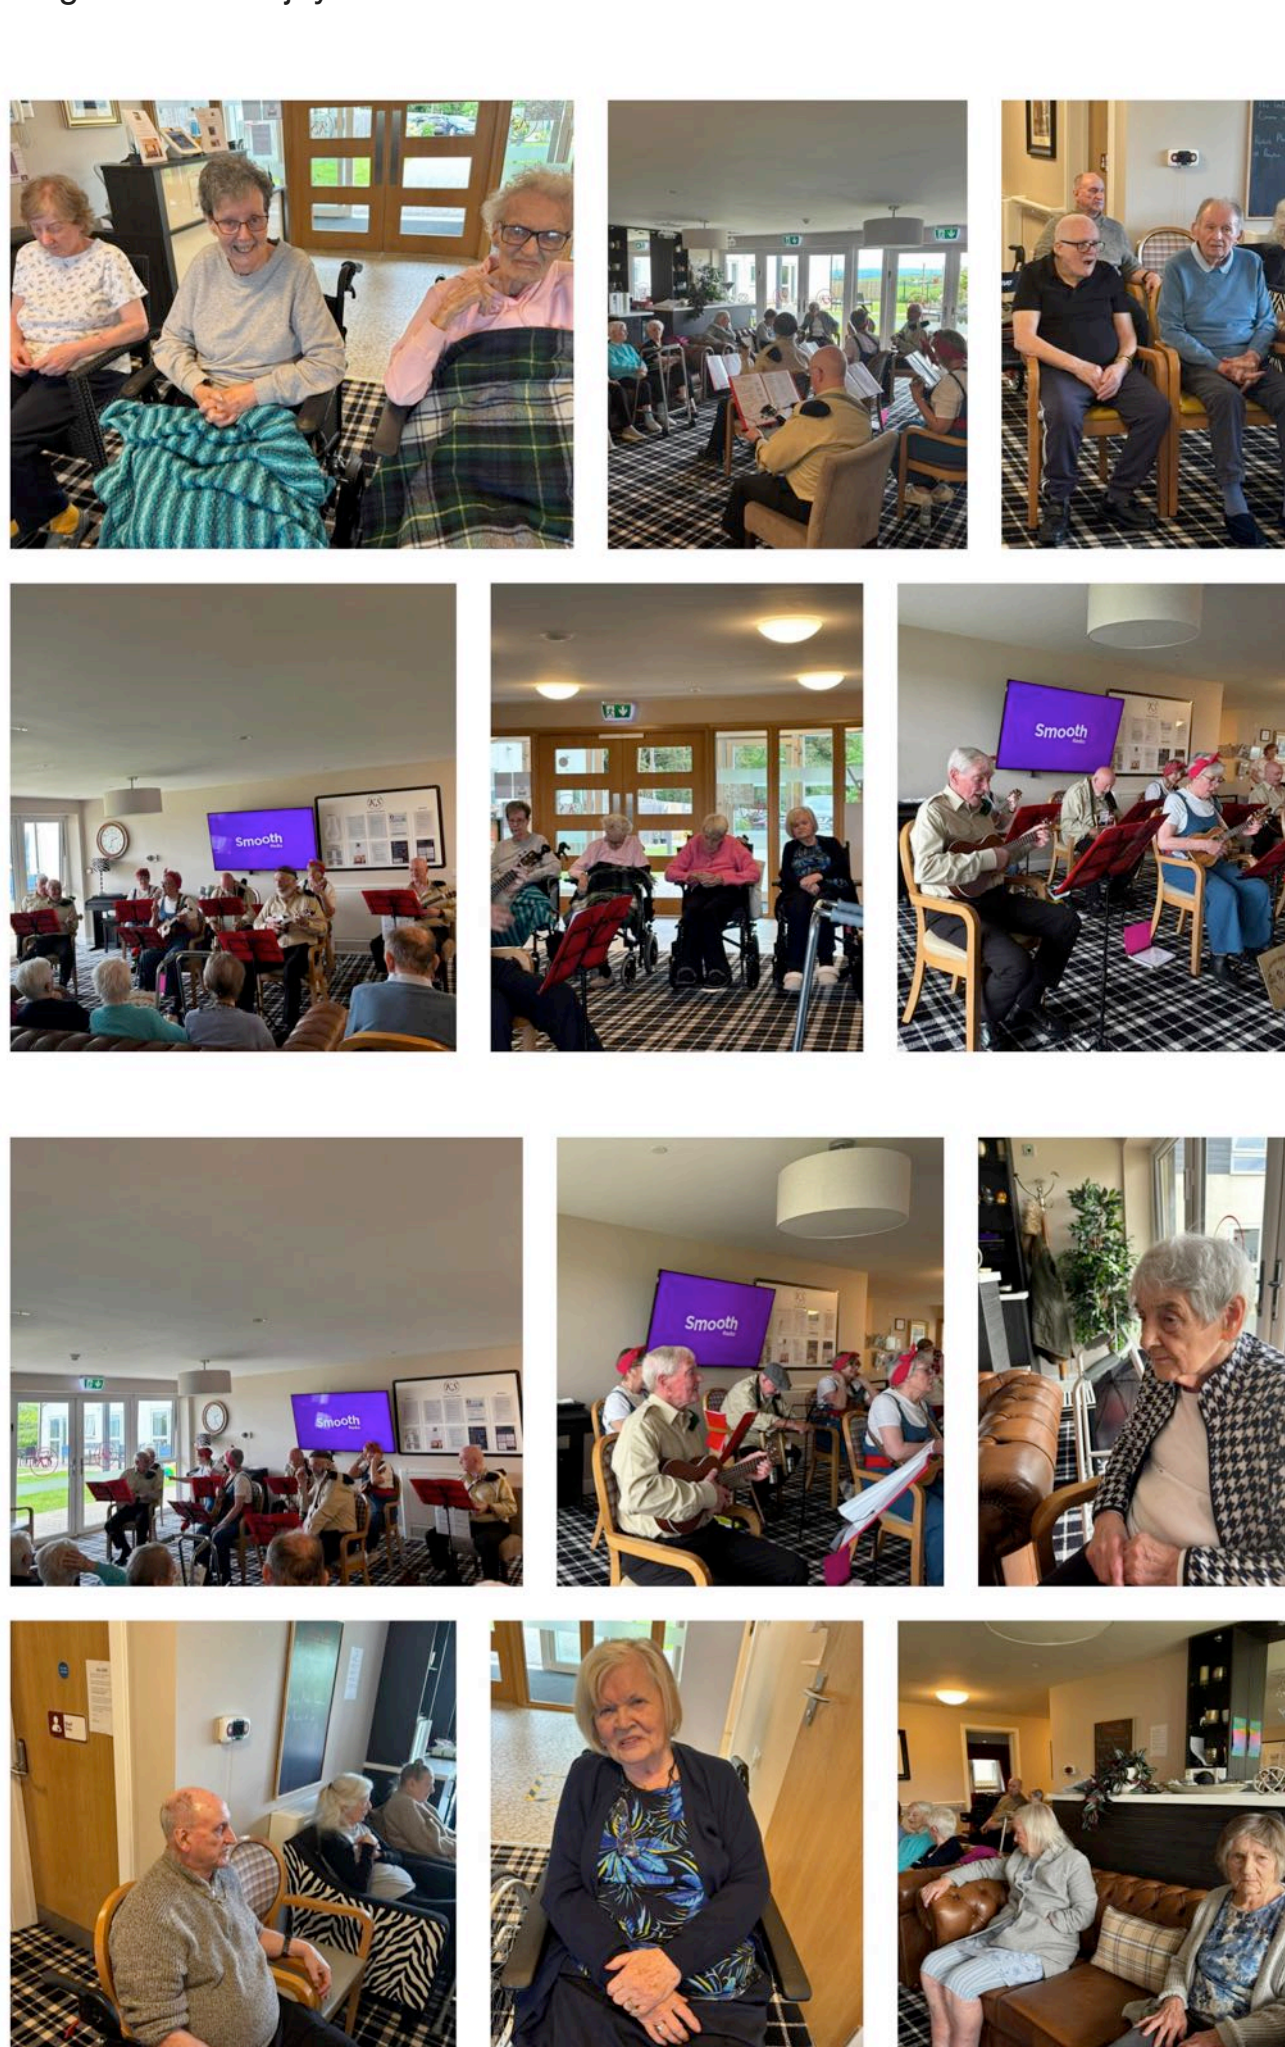

Partick Pluckers

Toes Tapping

We were treated to a delightful performance by the talented ukulele group, the Partick Pluckers. Their upbeat and lively music truly brightened our day and us tapping our toes. It was a wonderful experience that brought our community together through music and joy.

Ingliston Country Club

Out & About

One of the recent highlights was our outing to Ingliston Country Club to visit the horses. It was a great opportunity to connect with nature and enjoy the beautiful surroundings. The serene atmosphere and the majestic presence of the horses left a lasting impression on everyone who attended, creating cherished memories.
