Enjoying the Sunshine

Fresh Air & Sunshine

As the weather warms up and the sun shines brightly, our residents have been taking full advantage of the beautiful outdoors. There's nothing quite like soaking up some vitamin D to lift spirits and promote well-being!

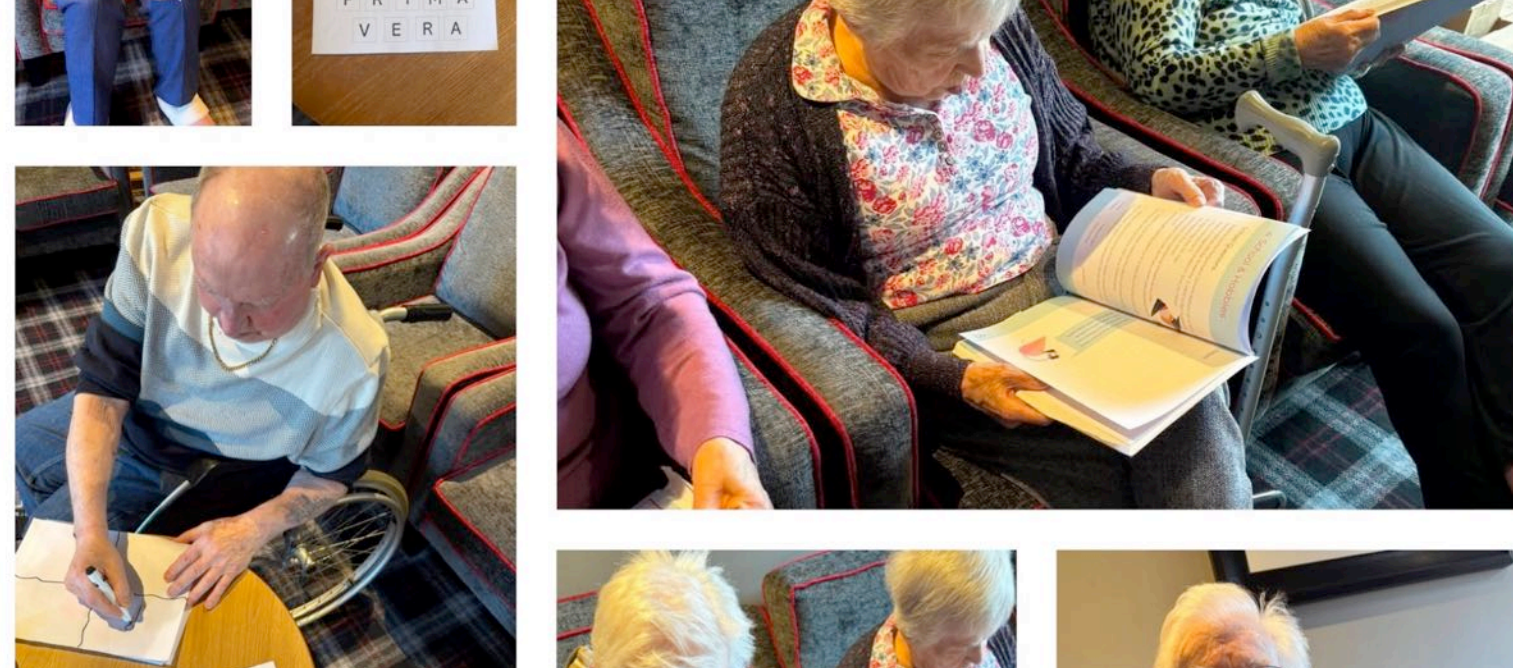

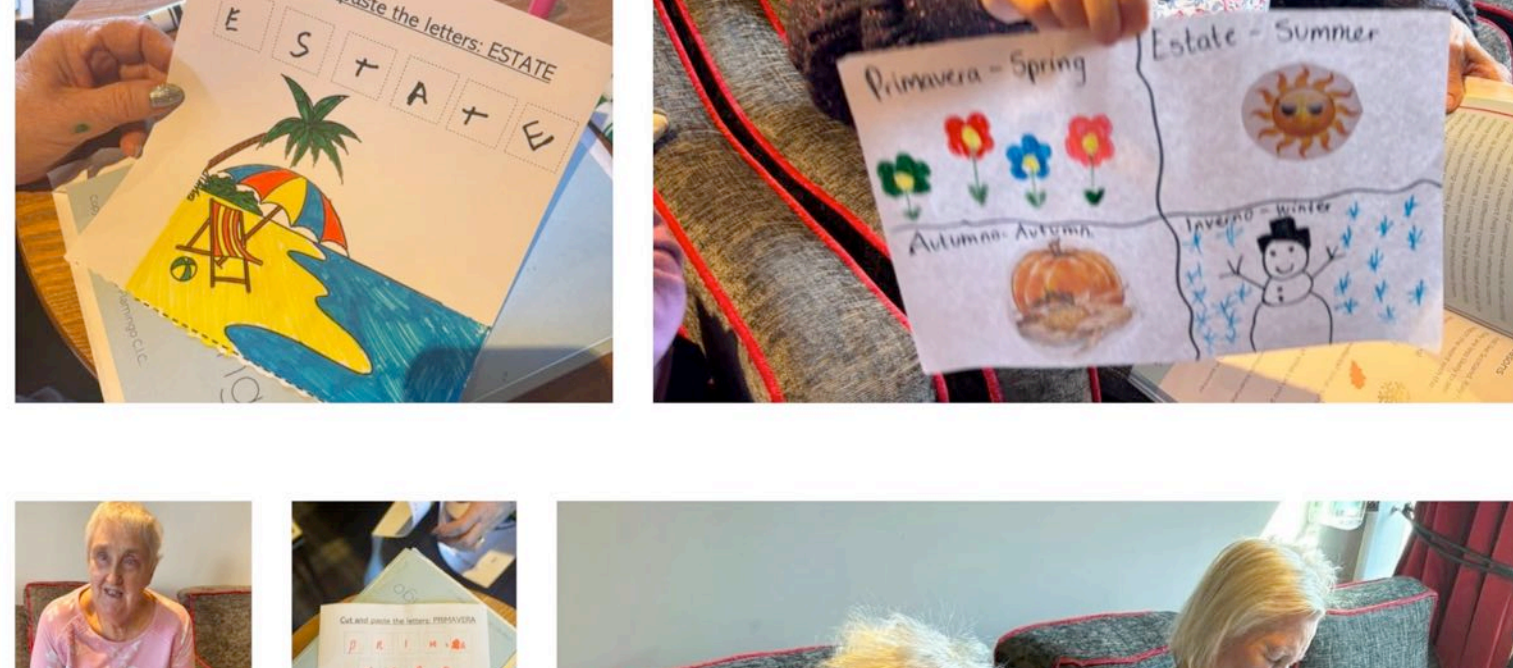

Never Too Old to Learn Something New

Learning & Improving

In our ongoing Italian language classes, we have recently embarked on an exciting journey through the seasons! Learning a new language is not only a great way to exercise the mind but also to connect with different cultures. Our residents have been enthusiastically participating, practicing vocabulary, and even sharing stories related to the seasons in Italy.

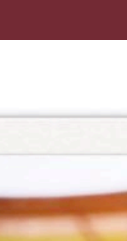

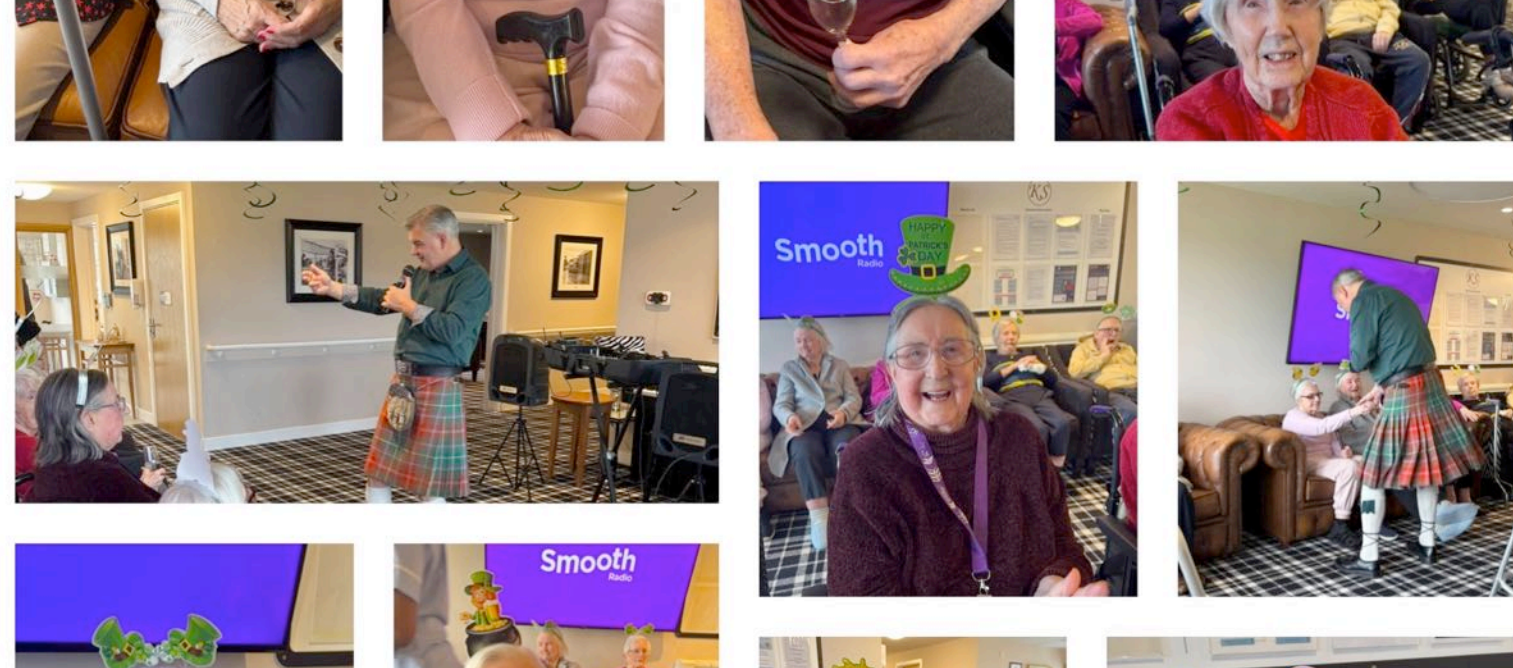

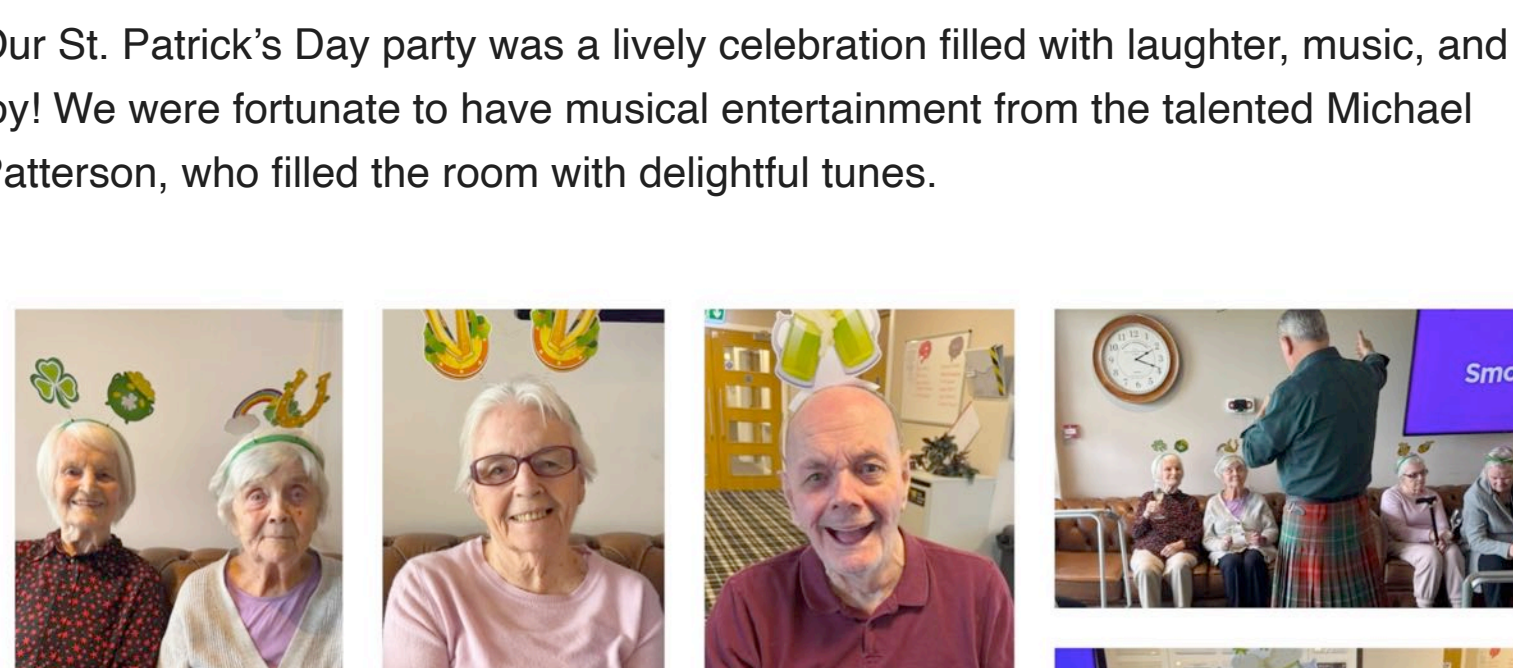

St. Patrick's Day Celebration

Celebrations

Our St. Patrick's Day party was a lively celebration filled with laughter, music, and joy! We were fortunate to have musical entertainment from the talented Michael Patterson, who filled the room with delightful tunes.

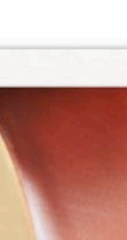

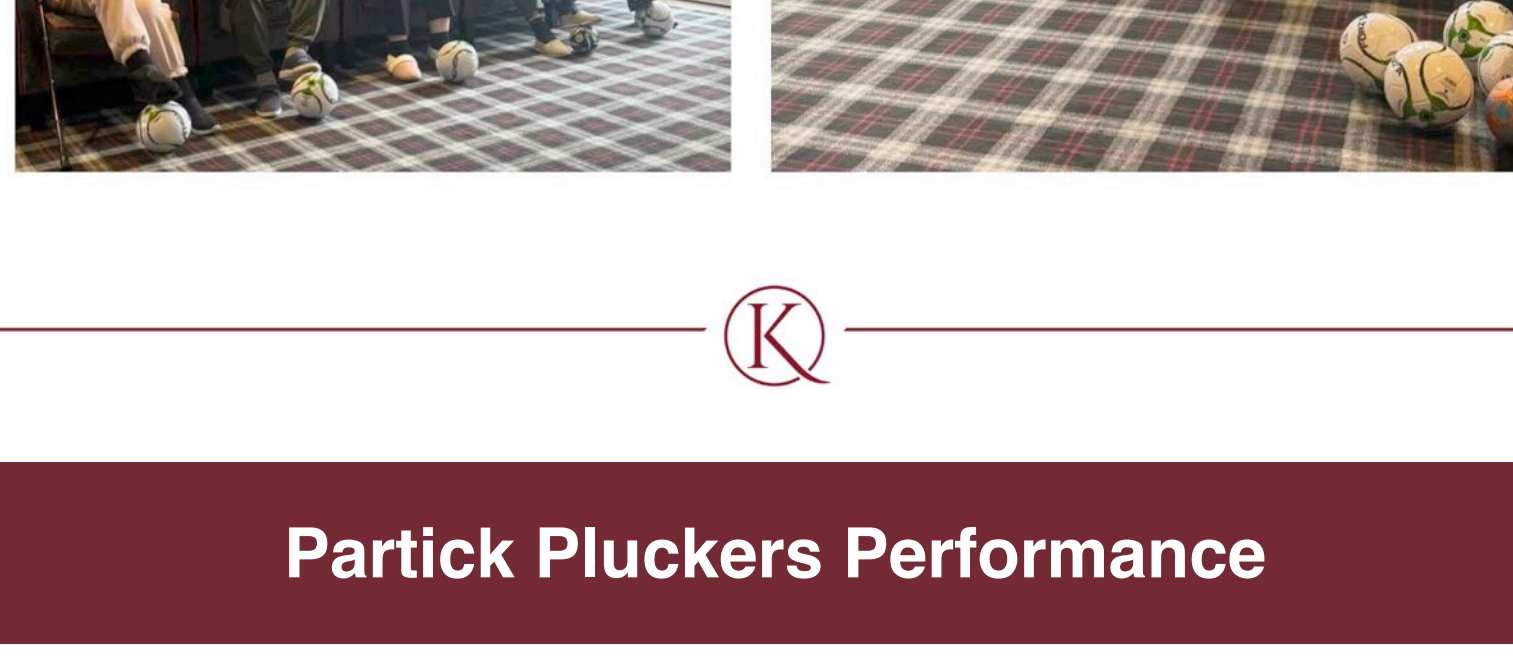

Get Moving with Fit-Baw

Well Done

Fit-Baw is a fantastic chair-based exercise class that runs for just under 60 minutes, focusing on upper and lower body workouts using a weighted ball called a futasal. A special shout-out goes to our recent Player of the Match, Janet, who showcased her skills and brought home the title!

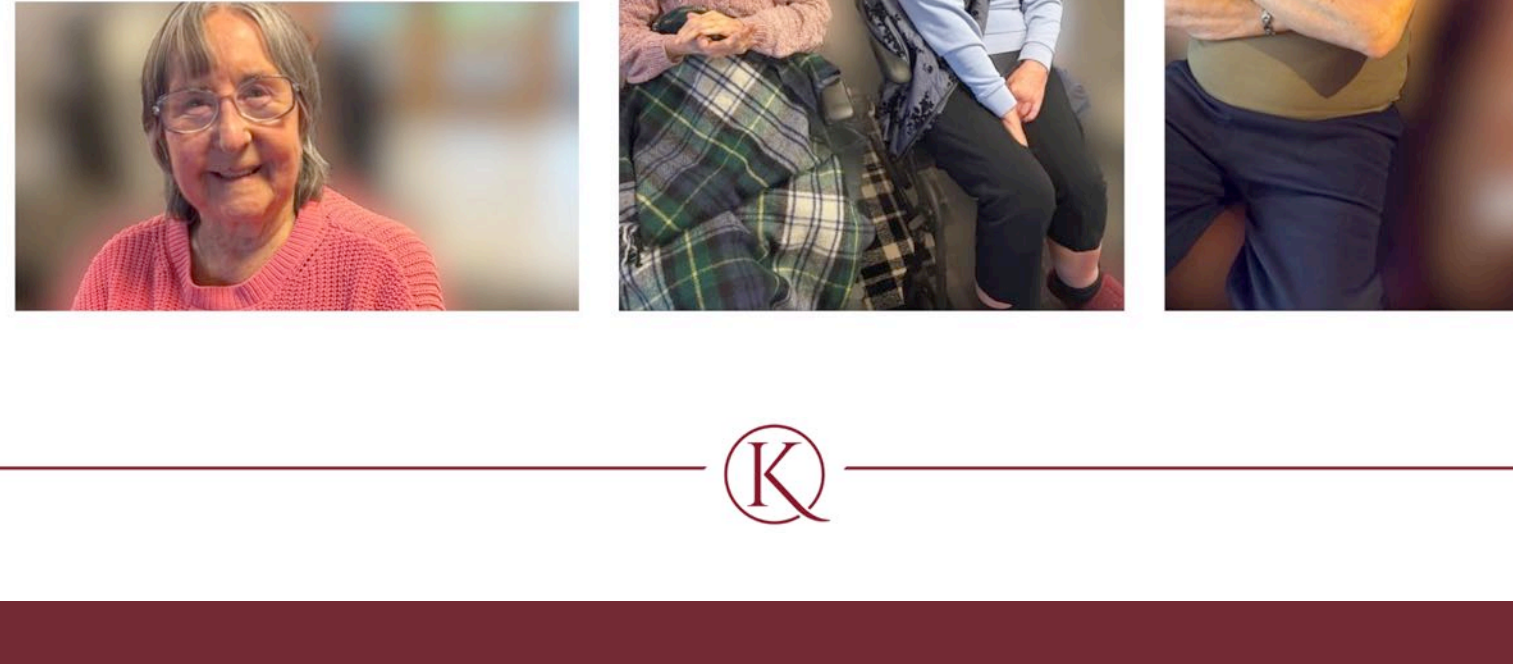

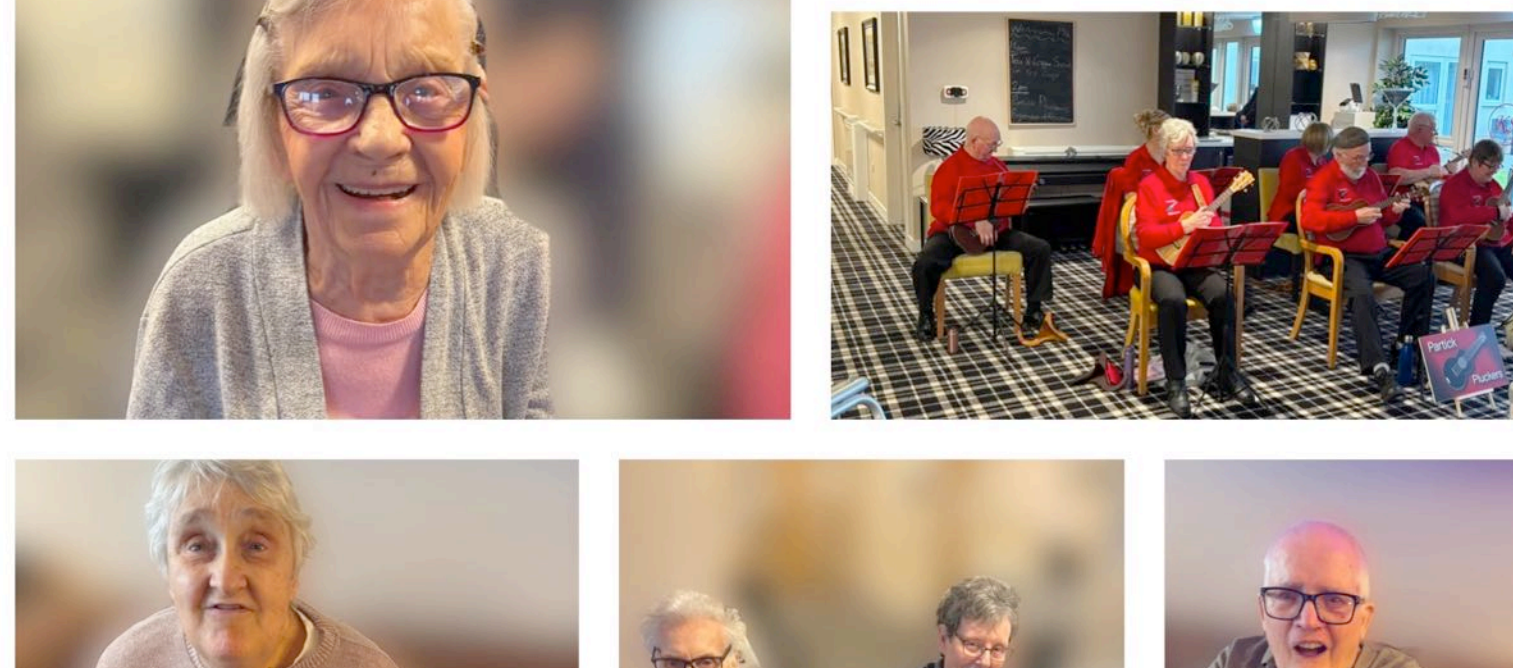

Partick Pluckers Performance

Good Times

Our recent performance by the Partick Pluckers was simply amazing! The sound of the ukuleles created a beautiful and joyful atmosphere that had everyone tapping their toes.
